Friday 07/12/12: La Paz - Coroico

Departure at 6:30 a.m. from our hotel in a private 4WD, in direction to the Cordillera Real. After passing La Cumbre, a pass at 4750 m of altitude, the Andes abruptly drop below our feet. A few hundred kilometers lower as the crow flies, is the Amazon Basin! Welcome to this incredible intermediate region called the Yungas, named after an ancient pre-Incan tribe that used to live on its steep slopes.
